

Diana Trixia Erese

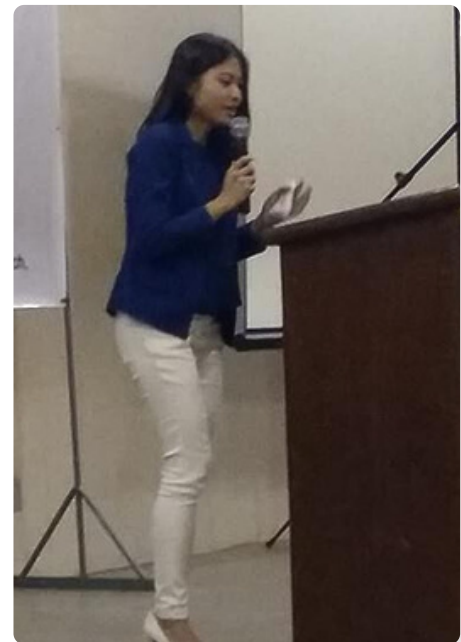

Administration and Operations Manager

Diane holds both a Master of Business Administration (MBA) degree and a Bachelor of Science in Business Administration degree from the Pamantasan ng Lungsod ng Maynila (University of the City of Manila), a city government-funded, chartered, and autonomous institution. These have provided her with a strong understanding of business principles and practices.

As Operations Manager at Kidney Australia, Diane has demonstrated exemplary leadership and management expertise, spearheading operational excellence across all levels. She has successfully led and developed high-performing teams through effective recruitment, training, and supervision. Additionally, she has provided instrumental support in financial management, strategic planning, auditing, and reporting, thereby enabling informed decision-making at the directorial level.

Diane's 11 years of banking experience have proven to be a significant asset in her current role, as she has been able to leverage her expertise in training and developing manpower, detecting fraudulent documents, and verifying applicant authenticity, as well as reconciling financial records and ensuring accounting accuracy.

As Past President of the Kiwanis Club of Intercity Next Generation, a chapter of Kiwanis International, Diane demonstrated her ability to lead and work with diverse groups. She has also been an active member of the Sacred Heart of Jesus Parish Lectors and Commentators Group, honing her public speaking and communication skills. Through these roles, she has developed a unique ability to effectively communicate and engage with diverse audiences, demonstrating skills beyond her PTE score of 82.

Empowering global talent while bridging the gap between education and employment.
