

Patrick Percano

Registered Nurse

Patrick is a dedicated and compassionate Registered Nurse with over 11 years of experience in nursing, including 5 years in haemodialysis and 3 years in home dialysis setup. He started his career in the Philippines in 2011 and later obtained his Australian nursing registration through the University of Technology Sydney. Patrick has worked with various dialysis service providers, including B. Braun Avitum Australia, Fresenius and Bankstown Hospital-Renal Dialysis Unit.

Patrick's key strengths include:

- Being licensed and experienced in haemodialysis and home dialysis care;
- Having a passion for delivering high-quality patient care and support;
- Possessing effective communication and teamwork skills;
- The ability to work in culturally diverse environments while respecting individual differences; and
- Being knowledgeable in work health and safety standards and incident reporting.

Empowering patients with kidney disease to live their best lives through compassionate and quality care.
