

## Sheila McCart

### *Endorsed Enrolled Nurse*

Sheila McCart is a dedicated and experienced nursing professional with a diverse background in the healthcare industry. With over 20 years of experience in providing high-quality patient care, Sheila has established herself as a skilled and compassionate Endorsed Enrolled Nurse.

Sheila began her nursing career in 1972, holding various Enrolled Nurse positions in:

- Nursing Homes;
- Medical Centres;
- Pathology;
- Surgical; and
- Hospitals.

During this period, she gained valuable experience in providing patient-centred care, working collaboratively with healthcare teams, and developing strong clinical skills.

In 2010, Sheila joined Bankstown Lidcombe Hospital as an Endorsed Enrolled Nurse specialising in dialysis care. Her responsibilities include:

- Providing safe and effective patient-centred care;
- Collaborating with multidisciplinary health teams in care planning, implementation, assessment, and evaluation; and
- Educating patients to promote better quality of life.

Sheila is proud to be part of the Kidney Australia team, where she will continue to provide high-quality care and support to patients with kidney disease—all thanks to her extensive experience and expertise in dialysis care.

**“Decades of dedication to nursing have taught me that experience is the greatest teacher, and I'm proud to bring that expertise to every patient I care for.”**
